PROTECTED A (when complete)

To Whom It May Concern:

Pursuant to exemption No. C2021-14 (Travellers on flight from Myanmar to Canada – Pre-arrival COVID-19 Molecular Test), the individual identified below is authorized to board a flight from Myanmar to Canada without providing evidence of a COVID-19 molecular test. This exemption was granted by an authorized official of Transport Canada pursuant to the *Aeronautics Act*. This letter does not exempt the identified traveller (s) from either: public health measures that may be required upon arrival in Canada; or any border entry/admissibility requirements. It should be noted that, given the evolving nature of the global pandemic, local authorities may impose control measures suddenly, including movement restrictions, at any time. Information about Canadian travel, quarantine and border measures is available at <https://travel.gc.ca/travel-covid>.

**Section 1: Traveller Details**

**Section 3: Privacy and Information Sharing**

The information provided on this form is protected by the *Privacy Act*. The undersigned acknowledges they understand that the information collected on this form will be shared with Transport Canada, the Canada Border Services Agency, and the Public Health Agency of Canada for public health purposes and to facilitate compliance with the *Quarantine Act* and the *Aeronautics Act*.

**Section 4: Requirements under the Transport Canada *Interim Order Respecting Certain Requirements for Civil Aviation Due to COVID-19***

The individual traveller(s) are still subject to all other interim order requirements that may apply, including:

1. The individual cannot travel if they have COVID-19 or suspect to have COVID-19;
2. The individual cannot travel if they have a fever and a cough or a fever and breathing difficulties, unless they provide a medical certificate certifying that their symptoms are not related to COVID-19.
3. The individual cannot travel if they have been denied permission to board an aircraft in the previous 14 days for medical reasons related to COVID-19;
4. The individual must comply with all other health check questions, temperature screening requirements at the airport and face mask requirements while in the airport and while in transit.

**Section 5: Confirmation and Acknowledgement by Traveller**

I, \_\_\_\_\_, hereby confirm and acknowledge the information in sections 1 to 4 above as well as the following:

- (1) The exemption from the requirement to provide evidence of a pre-departure COVID-19 molecular test under the *Interim Order Respecting Certain Requirements for Civil Aviation due to COVID-19* is for a set duration as indicated under the Effective Period section below.
- (2) The requirement to provide evidence of a result for a COVID-19 molecular test is required to protect the safety of the public in general, other travellers, and crew by minimizing the risk of spreading COVID-19;
- (3) As a result of an exemption from that requirement, I hereby acknowledge that I will be subject to a COVID-19 molecular test upon arrival in Canada, under the authority of the *Quarantine Act* and will be subject to further direction by a Quarantine Officer, which may include referral to a quarantine facility.

(4) I hereby undertake to comply with any and all applicable public health measures required of me upon arrival in Canada, to minimize the risk of spreading COVID-19.
