TRAVELLING TO CANADA BY AIR? INFORMATION ABOUT ON-ARRIVAL COVID-19 TESTING

All travellers should expect to undergo on-arrival COVID-19 molecular testing given the new measures in place due to the introduction of the Omicron variant.

It is **strongly recommended that you pre-register for your on-arrival COVID-19 molecular test prior to landing in Canada** to avoid lengthy lines and delays in processing.

Please visit https://travel.gc.ca/travel-covid/travel-restrictions/flying-canada-checklist/covid-19-testing-travellers-coming-into-canada, or scan the QR code below, and select **airport test provider** to pre-register for your on-arrival test.
