

ATAC Sponsorship Opportunities

ATAC's Canadian Aviation Conference and Tradeshow is the premier national gathering offering Canada's best networking, learning, and sales opportunity for operators, suppliers, and government stakeholders involved in commercial aviation and flight training in Canada.

Approximately 500 participants including senior management from Canada's large carriers, regional carriers, cargo operators, flight training industries, and those who supply goods and services to our industry will be in attendance.

Sponsorship of an event is an opportunity to present your company as an important supporter of the Canadian commercial aviation sector. Choose from a wide range of sponsorship opportunities and prices. Full sponsorship will take priority over co-sponsorship. Please contact us if you have any other ideas that best suit your marketing strategy and respects your budget.
