

# Flying to Canada during COVID-19?

As of November 21, 2020, it is **mandatory** for all travellers flying to Canada to submit their COVID-related information digitally through **ArriveCAN**

## Before you board your flight

You **must** use ArriveCAN to provide your:

- › Travel and contact information
- › Quarantine plan (unless exempt under conditions set out in the Mandatory Isolation Order)
- › COVID-19 symptom self-assessment

You must be ready to show your ArriveCAN receipt when seeking entry into Canada; a border services officer will verify that you have submitted your information digitally.

If you are an in-transit passenger whose final destination is not Canada, you do not have to submit your information.

## After you enter Canada

Unless you are exempt under conditions set out in the Mandatory Isolation Order, you **must** use ArriveCAN within **48 hours of entering Canada** to:

- › Confirm you have arrived at your place of quarantine or isolation
- › Complete a daily COVID-19 symptom self-assessment during your quarantine period

Use ArriveCAN by signing in online or by downloading the mobile app through Google Play or the Apple App store
